MINJOO,CHO

minjoolisa.cho@gmail.com +82-10-9899-9853 http://minjoolisacho.net

Objective

I would like to apply my design research and work experience to the design conceptualization and technical implementation of tangible user interface with new concept.

Skills

DESIGN

Rhinoceros, Fusion 360, Solidworks, Autodesk (Inventor/123DMake) Adobe Photoshop/Illustrator Cura (3D Printing), Ultimaker Keyshot 5

ENGINEERING

Processing, Arduino, Raspberry Pi, Unity 3D C, C++, Java,MATLAB Experienced in HTML/CSS

OFFICE WORK

MS Word/Excel/Powerpoint Windows / Mac OS

LANGUAGE

Native in Korean Fluent in English (TOEFL 98) Japanese (JLPT 1st level) Chinese (HSK 5th Grade)

Professional Experience

'13.June -'14.Oct

Samsung Electronics HQ, Korea

Creative Lab

A developer / program planner of an interdisciplinary project in Samsung Electronics.

Designing Sound Visualization tools for the deaf

'11.Jan -'14.Dec

Samsung Electronics HQ, Korea

Product Management Group, Samsung Mobile

A product manager of Samsung Tablets throughout the whole product life cycle. Responsible for Nexus 10, a collaborative project with Google HQ Handled two Samsung tablet projects [GALAXY Note10.1, GALAXY Tab3 10.1]

'09.Oct -'10.Feb

ATR, Japan

Research Intern

Human-Robot Verbal Interaction Devising a listener robot for verbal communication with human apt for tele-operation environment.

'09.Aug -'09.Oct

Toshiba R&D Center, Japan

Research Intern

Human-Robot Verbal Interaction Human-Robot Nonverbal Interaction Realization of visual display tool of displaying "Interest Rate" of the Robot to Humans Undergraduate Reseach Intern.

Education

MASTER

KAIST, Daejeon, Korea

'15.Mar - Current

Industrial Design, myDesignLAB (http://mid.kaist.ac.kr)

BACHELOR

KAIST, Daejeon, Korea

'06.Mar - '11.Feb

Electrical Engineering, Business Economics(minor)

MINJOO,CHO

minjoolisa.cho@gmail.com +82-10-9899-9853 http://minjoolisacho.net

Interests

Hand drawings **DRAWING** Caligraphy

(Korean/Japanese)

Played Violin for 20 years **MUSIC**

Love to Sing

(Acapella, Self-recording)

DIY Handmaking with various

fabrication method

(3D Print/Laster Cutting)

SOCIALIZE Love to make friends in

various backgrounds

Service & Leadership

'13.Oct

Samsung Electronics HQ, Korea

Evaluator

A Jury member for Samsung Mobile "Super Rookie Project", a competition for selecting most creative ideas from Samsung Mobile's new associates.

'09.Jul -'09.Aug

GATE KORFA

Volunteer

A volunteer work (Administrative words) at GATE KOREA, a Non-Governmental Organization for international internships in Korea.

- Webpage : http://www.iaeste.kr/English/

'07.Aug -'08.Aug

ICISTS-KAIST

Workshop Leader

An organizing committee member of ICISTS-KAIST, an international conference on interdisciplinary fields.

- A Program Chair of the workshop session "Human-Robot Symbiotic Society"
- Webpage : http://icists.org/ow/about icists

Honors & Awards

'15.Mar -Current	National Science & Technology Scholarship
 '06.Mar-'10.Mar 	National Science & Technology Scholarship
2004, 2005 	Lee Geon Hee, Samsung CEO Scholarship
